OF MAKING A
DIFFERENCE

DID YOU KNOW?

A Baby Rhino Drinks 20 litres Per Day!

OUR STORY

For Mandela Day, 30 supercars revved up for change and 40 rhino orphans were fed for a month. **2021**

Our convoy became a supercar run when it doubled to 60 participants. Enough milk was collected to feed every registered rhino orphan in South Africa for 1 month. **2022**

A fleet of 80 supercars joined the run, partnerships and prize values soared to over R90,000.00. Cash donations surpassed the R100,000.00 for the second year in a row. **2023**

The Rhino Orphan Supercar Run has become more than an event. It's a movement, uniting passion, power, and purpose. Each milestone reached is a testament to the commitment of our participants and sponsors. And we're just getting started.

- 180 Supercars
- R275150 Raised
- 16000 Litres of Milk Donated

SUMMARY

The impact is undeniable. We've fed hundreds of orphaned rhinos and brought awareness to this critical cause. But the journey continues.

HELP BABY RHINOS

The Rhino Orphan Supercar Run is partnering with schools like yours to fuel the future of rhino orphans. These orphans rely on milk to survive, and with your help, we can ensure they have the nourishment they need to thrive.

HERE'S HOW YOUR SCHOOL CAN PARTICIPATE:

- **Collect long-life Fat Free Milk:** Every carton counts towards making a difference!
- **Stand a chance to Win!** A visit to a rhino orphan sanctuary or a drive in a Ferrari!
- **Make it a Mandela Day Activity!** This perfectly aligns with the spirit of Mandela Day – making a positive impact on the world!
- **Educate and Inspire:** Use this opportunity to teach your students about rhino conservation.
- **Maximise your Support:** Cash donations to our cause qualify for a Section 18A tax deduction.

By participating, you're not just collecting milk; you're inspiring the next generation of conservationists!
